## Materials Needed

- Wonder Fuse (Art. 4090 or Art. 4091)
- Nancy Zieman Bordeaux Ultimate Scissors 130 (Art. No 4940)
- Pen for Tracing
- Iron and Pressing Board

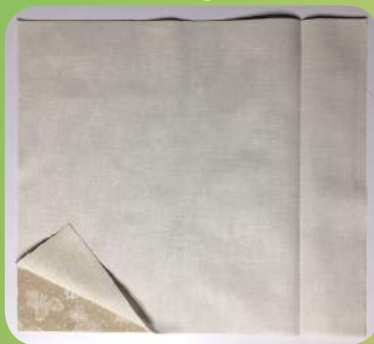

## Fabric Requirements

- 2 – 10” x 12” Background fabric
- 1 – 10” x 12” Batting
- 3 – Shades of Orange fabric for Pumpkins
- Yellow fabric for Sunflower
- Brown for Pumpkin Stems
- Brown with lines for Sunflower Center
- Green for Sunflower leaves and Stem
- Brownish/orange for oak/maples leaves
- Tip: Iron Fabric before starting your project

## Instructions

Step 1: Place the two pieces of background fabric right sides together then place the batting on top.

Step 2: Sew around the edges using a ¼” seam. Leave a 2-inch opening so you can turn the fabric right side out. Clip the corners.

## Instructions (cont.)

Step 3: Turn the fabric right side out using the 2-inch opening. Then press folding the gap under. Close the gap by using a small strip of Wonder Fuse.

Step 4: Make sure your images are Mirror Imaged (reversed). Trace you images onto the paper side of your Wonder Fuse. Cut approximately 1/4" outside of the traced line.

Step 5: Iron the cut fusible pieces to the wrong side of the fabric that you have chosen to use on your project. Once you have fused the pieces, cut out your pieces on the traced lines.

Step 6: As you arrange your pieces onto the background fabric, remove the paper backing then layer your pieces and fuse them into place.
