# EMBROIDERED llama motif

Designed by:  
Sachiyo Ishii

Make • It

# MATERIALS

- 18in x 18in Haworth cotton fabric or Monk Cloth
- 4-ply weight yarn in white, off-white, aqua blue, yellow, pink, green, yellow-green, orange, light brown, and dark brown.
- Brown felt fabric, 7in diameter circle x 2
- Brown cotton thread
- Fabric glue
- 2 3/4in string

# TOOLS

- Embroidery Stitching Tool (Art No. 8800)
- Needle Refill for medium-fine yarn (Art No. 8802)
  - 7in Clover Embroidery Hoop (8812)
  - Gold Eye Chenille Needle (Art No. 234/18)
  - Tracing Paper Clover Chacopy (Art No. 434)
- Air Erasable Marker Purple - FINE (Art No. 5032)
- All-purpose sewing needle

- Scissors
- Iron

# INSTRUCTIONS

**Step 1:** Transfer Motif onto the fabric, using Clover Chacopy. With Air Erasable Marker, draw over the outline of llama so that you can see the shape from the wrong side as well.

**Step 2:** Place the fabric in hoop. For best results use Clover Embroidery Hoop which grips the fabric firmly.

**Step 3:** Using the Embroidery Stitching Tool, adjust the needle length to position 1. Thread the needle with white yarn. From the wrong side, work the outline of llama and then fill in the llama's body. Loops shall be left on the right side.

**Step 4:** Turn to the right side and work satin stitch to complete the rest of the motif, leaving loops on the wrong side this time.

**Step 5:** Work the details with hand stitches, using chenille needle and referring to photo for colors. Embroider eyes and mouth with straight stitches. Embroider dots in grass. Make straight stitch around the orange circle for the sun.

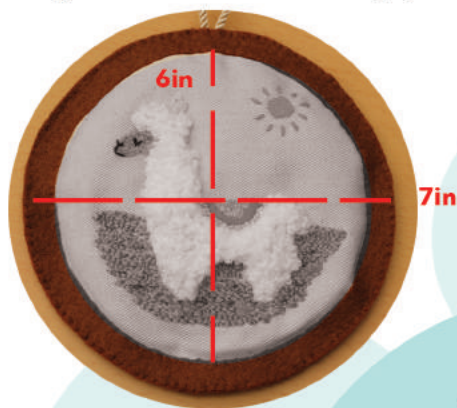

**Step 6:** Lightly coat the loops on the wrong side of work with fabric glue. Allow it to dry.

**Step 7:** Gently press with iron.

# INSTRUCTIONS CONT.

**Step 8:** Mark a **6in diameter** circle in the center of one of the **7in circles** of brown felt. Cut out the smaller circle, leaving a **1.5cm wide 'frame'** intact around the edge. Sew inner edge of felt frame to embroidered fabric, using over-cast stitches. Mark top center and sandwich the string between the framed embroidery piece and the remaining 18cm felt circle. Sew the felt pieces together around outer edge, using blanket stitches all around.
