

Marking TOOLS Guide

Brought to you by  Clover

Tailor's Chalk

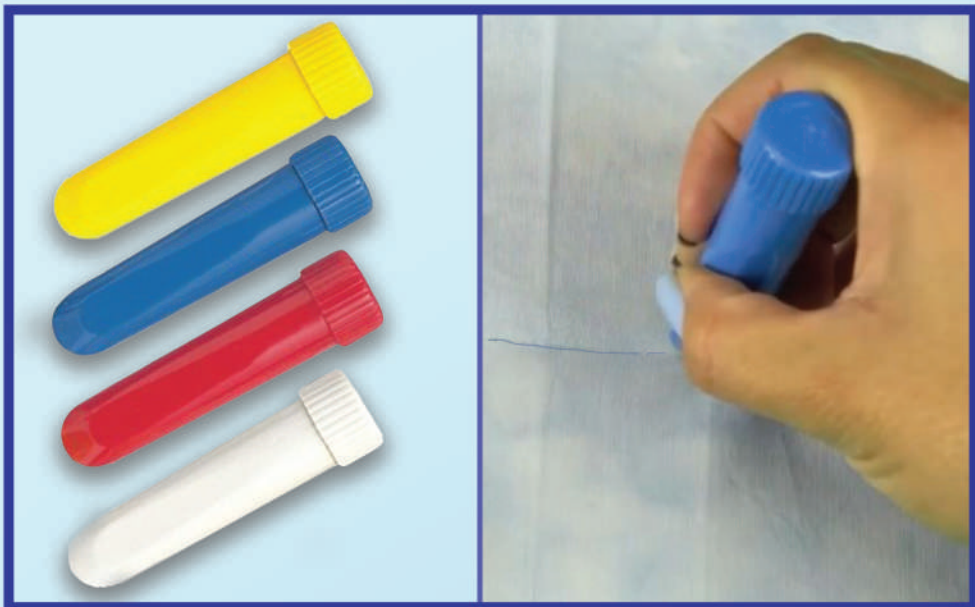

Colors: Blue, White, Yellow, and Red

Characteristics:

- *Classic triangular shape*
- *Easy to hold*
- *Provides thin sharp lines either straight or curved*
- *Edges can be sharpened by rubbing on an abrasive surface*
- *Lines can be removed by either brushing away or washing*

Cautions: *Always test any marker on the intended fabric to ensure it can be removed*

- *Blue and yellow colors prone to permanence if heated*
- *All colors become permanent when ironed*
- *Dry cleaning may also cause permanence*

Chaco Liner

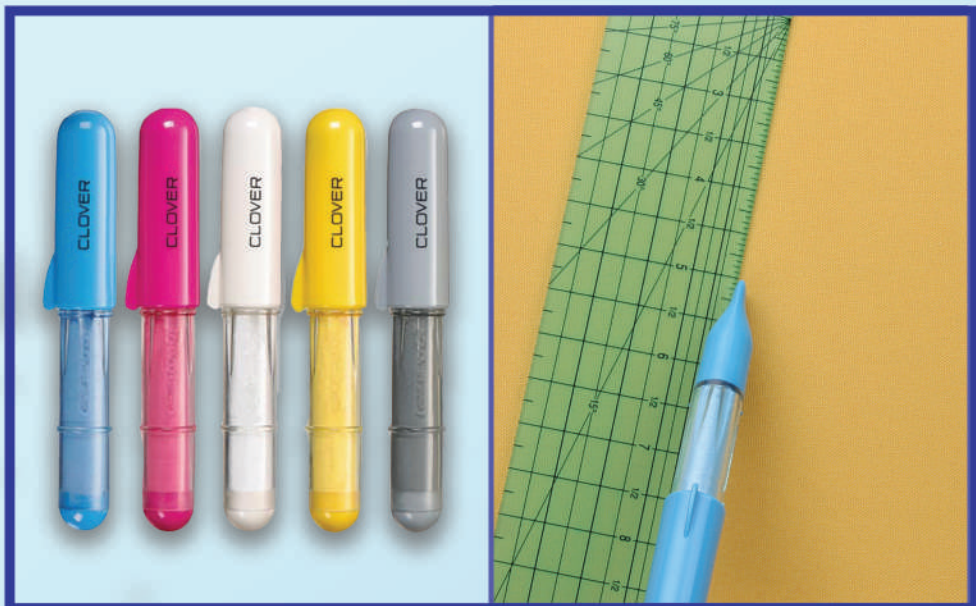

Colors: Yellow, Blue, Red, and White

Characteristics:

- **Pen style marker with refillable chalk reservoir**
- **Rotating serrated wheel at the pen point allows fine markings either with curved or straight templates or freehand as with detailed applique**
- **Removed by either brushing away or washing**
- **The chalk reservoir can be refilled from individually available refills**

Cautions: Always test any marker on the intended fabric to ensure it can be removed

- **Blue and yellow colors prone to permanence if heated**
- **All colors become permanent when ironed**
- **Dry cleaning may also cause permanence**

Chaco Liner Pen Style

Colors: Blue, Pink, White, Yellow, and Silver

Characteristics:

- **Pen style marker with replaceable chalk reservoir**
- **Rotating serrated wheel at the pen point allows fine markings either with curved or straight templates or freehand as with detailed applique**
- **Removed by either brushing away or washing**
- **Simply replace chalk cartridge to refill**

Cautions: Always test any marker on the intended fabric to ensure it can be removed

- **Blue and yellow colors prone to permanence if heated**
- **All colors become permanent when ironed**
- **Dry cleaning may also cause permanence**

Water Soluble Pencils

Colors: White, Pink, and Blue

Characteristics:

- **Pencil style chalk marker**
- **Leaves fine line markings**
- **Can be erased with a damp cloth or by washing**

Cautions:

- **Always test any marker on the intended fabric to ensure it can be removed**
- **All colors may become permanent when ironed**
- **Dry cleaning may also cause permanence**

Iron-On Transfer Pencils

Colors: Red and Blue

Characteristics:

- ***Pencil style applicator***
- ***Used to copy designs onto tracing paper***
- ***When tracing paper is ironed over the fabric the line markings are transferred to the fabric***
- ***Markings are removed with a damp cloth***

Cautions:

- ***Should only be used for Iron-On Transfer***

Chacopel Fine

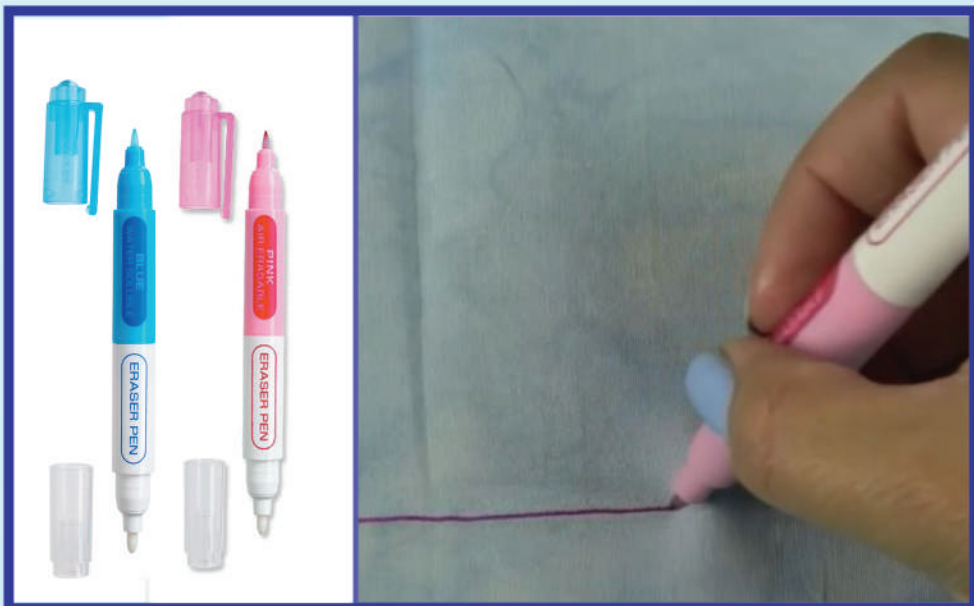

Colors: White, Yellow, and Pink/Blue

Characteristics:

- *Pencil style, wax/chalked marker*
- *Leaves fine line markings*
- *Can be erased with a damp cloth or brushed off with the included brushes.*
- *Set includes a pencil sharpener*

Cautions:

- *Always test any marker on the intended fabric to ensure it can be removed*
- *All colors may become permanent when ironed*
- *Dry cleaning may also cause permanence*

Chacopen with Eraser

Colors: Blue and Pink

Characteristics:

- **Felt tip style applicator**
- **Leaves a fine mark**
- **The pink color is self-erasing within 4-14 days**
- **The blue color markings are easily erasable with water**
- **Both can be erased immediately with the attached eraser**

Cautions:

Blue: Markings left for extended time can become more difficult to remove. Should always be used on fabrics that can be washed.

Pink: The pink color is self-erasing within days. Ironing has no effect on permanence

White Marking Pen

Color: White

Characteristics:

- Ball point style marking pen applies light activated ink***
- Leaves fine white line best used on darker fabrics***
- Lines can be eliminated simply by ironing, washing or dry cleaning***
- No reappearing “ghost” lines with cold temperatures***

Cautions:

- The ink is light activated and may take seconds to reveal***
- The ink may dry on the point making the pen unusable***
- Dried ink can be easily removed with the flick of a finger nail***

Air Erasable Markers

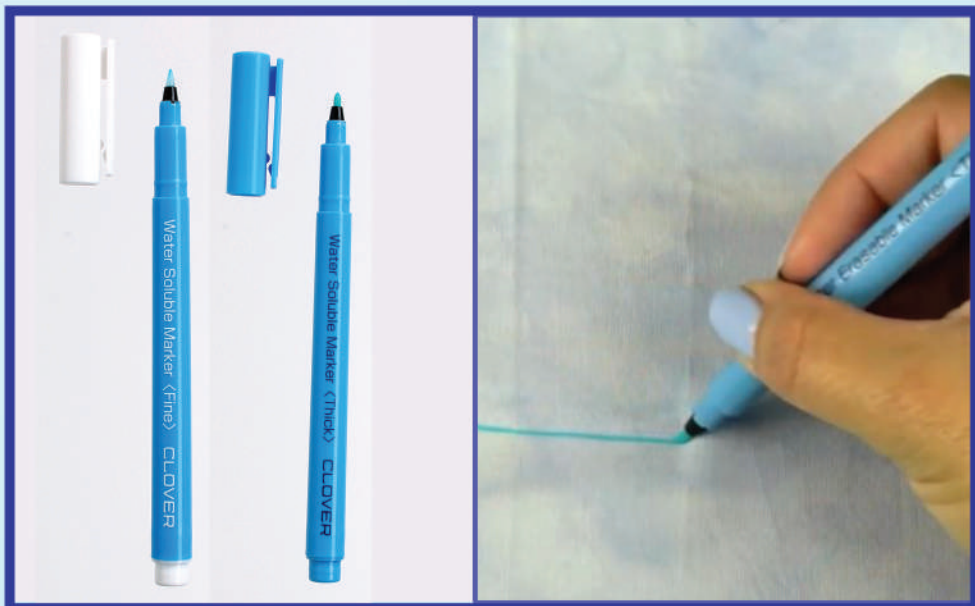

Color: Purple

Characteristics:

- **Felt tip type point leaves purple ink lines**
- **Purple markings are easily seen on a full spectrum of colors**
- **Markings are self-erasing within 4 - 14 days depending on the amount of ink applied and general conditions of heat and humidity.**
- **Marker points are available in three sizes to accommodate various fabric textures and marking applications**
- **Marks can be removed immediately with an included eraser. (Art No. 5032 Air Erasable Marker w/ Eraser)**

Cautions:

- **The purple color is self-erasing within days**
- **Necessitates completion of sewing/cutting action before they disappear.**
- **Ironing has no effect on permanence**

Water Erasable Markers

Colors: Blue

Characteristics:

- ***Felt tip type applicator, comes in Fine & Thick.***
- ***Leaves distinct blue markings in either fine or thick widths***
- ***Perfect for following templates or freehand***
- ***Can be erased with the application of water or a damp cloth***

Cautions:

- ***Markings left for extended time can become more difficult to remove***
- ***Should always be used on fabrics that can be washed.***
